Jasmine Mote, Ph.D.

Curriculum vitae

Boston University
635 Commonwealth Avenue
Boston, MA 02215
(617) 353-7519
mote@bu.edu | https://jasminemote.com
Clinical Psychologist (MA 11739)

EDUCATION

2018-2020	Postdoctoral Associate, Department of Occupational Therapy, Sargent College of Health and Rehabilitation Sciences, Boston University
2017-2018	Postdoctoral Research Fellow, Social and Community Reintegration Research Program, Edith Nourse Rogers Memorial Veterans Hospital
2017	Ph.D., Clinical Science, University of California, Berkeley
2017	APA Approved Clinical Psychology Internship, Rutgers University Behavioral Health Care/Robert Wood Johnson Medical School
2013	M.A., Psychology, University of California, Berkeley
2009	B.A., Psychology (Summa Cum Laude), Oberlin College

PROFESSIONAL APPOINTMENTS

2022-present	Research Assistant Professor, Department of Occupational Therapy, Sargent College of Health and Rehabilitation Sciences, Boston University
2020-2022	Assistant Professor, Department of Occupational Therapy, Joint Appointments in Departments of Psychology and Community Health, Tufts University

AWARDS AND HONORS

2024	Beyond the Ivory Tower Scholar
2021	Visionary Award, American Psychological Foundation
2020	Neubauer Faculty Fellow, Tufts University
2019	mHealth Training Institute Scholar
2016	Northern California Association Phi Beta Kappa Graduate Fellow, University of California, Berkeley
2015	Sheldon J. Korchin Prize in Clinical Psychology, University of California, Berkeley
2012	Finalist, Smadar Levin Award for Outstanding Student Poster, Society for Research in Psychopathology
2011	Initiative for Maximizing Student Development Graduate Fellow, University of California, Berkeley
2011	Graduate Division Power Top-Off Award, University of California, Berkeley

RESEARCH FUNDING

Active Grants

2024-2029 "The effects of dog interactions on physiological arousal and affect for adolescents with social anxiety," Co-Investigator (PI: Megan Mueller). Mars Petcare UK (Waltham Petcare Science Institute). Total: $500,000

2023-2027 "Longitudinal assessment of specificity in adolescent-dog relationships and adaptive coping for youth with social anxiety," Co-Investigator (PI: Megan Mueller). NICHHD, 1R01HD109808-01A1. Total: $2,970,334

Grant Consultation

2026-2029 "Pilot hybrid effectiveness-implementation trial of a scalable intervention targeting postpartum instrusive thoughts." PI: Martha J. Falkenstein. NIMH, 1R01MH146063-01.

2023-2028 "Effects of racism on brain and physiological pathways to health disparities." PIs: Lisa Shin, Aerielle Allen, Samuel Sommers. NIMH, R01MH136641-01.

Completed Grants

2021-2025 "Cardiovascular regulation through social contact: Examining the impact of loneliness on heart rate variability in schizophrenia," Principal Investigator. American Psychological Foundation Visionary Grant. Total: $14,480

2023-2025 "Supplement to Promote Diversity in Health-Related Research: Neurobehavioral mechanisms of social isolation and loneliness in serious mental illness," Co-Mentor (PI: Daniel Fulford; Mentee: Renata Botello). NIMH, R01MH127265-S. Total: $209,425

2021-2023 "Racism as trauma: Physiological correlates of experiencing discrimination," Co-Investigator (PIs: Lisa Shin, Samuel Sommers). Tufts Springboard Award. Total: $49,486.

2021 "Faculty Research Fund Award: Summer Research Assistant," Principal Investigator. Tufts University Faculty Research Awards Committee. Total: $4,536.

2021 "Open Access Fund," Principal Investigator. Tufts Faculty Research Award. Total: $1,900.

2019-2021 "Measuring treatment-induced changes in a functional neural marker for paranoia in people with serious mental illness," Principal Investigator. Dudley Allen Sargent Research Fund, Sargent College of Health and Rehabilitation Sciences, Boston University. Total: $6,960

2019-2021 "Evaluation of an online, evidence-based intervention for transdiagnostic paranoia in a community setting: Cross-disciplinary training and implementation," Principal Investigator (MPI: Daniel Fulford). Varda Shoham Clinical Scientist Training Initiative, Society for a Science of Clinical Psychology. Total: $1,500

2015-2016 "Can positive social interactions increase motivated behavior in people at risk for schizophrenia?", Principal Investigator. Greater Good Science Center Hornaday Fellowship, University of California, Berkeley. Total: $6,500

2012-2015 "Tell me more, tell me more: Can sharing positive experiences increase motivated behavior?", Graduate Fellow. National Science Foundation (NSF) Graduate Fellowship (DGE 1106400), University of California, Berkeley. Total: $96,000.

INVITED TALKS

1. "So you're thinking about applying to clinical psychology PhD programs: Tips, tricks, and all the things you're too afraid to ask." (2025, September). Hobart and William Smith Colleges. Virtual talk.

2. "Loneliness in Psychosis and Future Qualitative Directions." (2025, May). Center for Women's Mental Health Clinical Grand Rounds, Massachusetts General Hospital, Boston, MA.

3. "Biopsychosocial Loneliness and Isolation Study (BLIS): Background and preliminary findings." (2024, October). Wellness and Recovery After Psychosis (WRAP) Program, Boston Medical Center, Boston, MA.

4. "What comes after a call to action? Progress in supporting Black individuals in the US living with serious mental illness." (2022, March). Co-presenter: D. Fulford. Fourth National Conference on Advancing Early Psychosis Care in the United States: Harnessing Resiliency in a Changing World. Virtual talk.

5. "A day in the life: Using ecological momentary assessment to understand & address social impairment in people with schizophrenia." (2021, January). Psychology Department Brown Bag Series, McGill University, Montreal, Quebec, Canada. Virtual talk.

6. "Addressing cultural biases and racial disparities in the diagnosis and treatment of people with serious mental illness." (2021, January). Mental Health Intensive Services Seminar, VA Puget Sound, Seattle, WA. Virtual talk.

7. "Why emotion matters when addressing social participation and functioning in serious mental illness." (2019, December). Occupational therapy department, Tufts University, Medford, MA.

8. "What do we know about the emotional lives of people with schizophrenia?" (2019, November). Psychology department, Stonehill College, Easton, MA.

CONFERENCE ACTIVITY/PARTICIPATION

Oral Papers and Symposia

1. **Mote, J.**, Brown, J., Zhang, S., Anderson, E. C., & Mueller, M. K. (2025, September). "Man's best friend? Findings from the Teens with Anxiety – Investigation of Loneliness Study (TAILS)." Oral presentation to be given during symposium, "Innovations in understanding interpersonal dynamics in daily life across mental health conditions" (Chair: **J. Mote**). Society for Research in Psychopathology, Los Angeles, CA.

2. **Mote, J.**, Maimone, J. S., Gard, D., Mueser, K. T., & Fulford, D. "Hell is not other people: Positive emotions during social interactions improve social motivation and goal progress in daily life for people with schizophrenia." (2024, October). Oral presentation to be given during symposium, "Social motivation in psychotic disorders: Examining psychological and neural mechanisms." (Chair: L. Catalano). Society for Research in Psychopathology, Montreal, Quebec, Canada.

3. **Mote, J.**, Gonzalez, R., Gard, D., & Fulford, D. (2021, March). "We should do this again sometime: The relationship between loneliness, positive affect, and depression in daily life." Oral presentation given during symposium, "The role of positive affect in depression: Relationships revealed across days, weeks, and months" (Chair: A. Peckham). Anxiety and Depression Association of America, Virtual conference.

4. **Mote, J.**, Gill, K., Leung, L., Gard, D., Mueser, K., & Fulford, D. (2020, November). "The Motivation and Skills Support (MASS) smartphone application: Development of an mHealth intervention to improve social motivation in schizophrenia." Oral presentation given during symposium, "Increasing access to care through advances in innovative interventions for serious mental illness" (Chair: E. Treichler). Association for Behavioral and Cognitive Therapies, Virtual conference.

5. **Mote, J.**, Peckham, A. D., Painter, J. M., Lee, E. H., Campellone, T R., Kring, A. M., Johnson, S. L., & Moskowitz, J. T. (2016, March). "Can calm prevent the storm? Feasibility and efficacy of the LAUREL program: A new intervention to increase healthy positive affect in bipolar I disorder." Society for Affective Science, Chicago, IL.

6. Peckham, A. D., **Mote, J.**, Painter, J. M., Lee, E. H., Campellone, T. R., Kring, A. M., Johnson, S. L., & Moskowitz, J. T. (2015, November). "A new intervention to increase

healthy positive affect in bipolar I disorder: Feasibility and efficacy of the LAUREL program." Oral presentation given during symposium, "Once more, with feeling: Novel psychosocial interventions informed by basic affective science" (Chair: **J. Mote**). Association for Behavioral and Cognitive Therapies, Chicago, IL.

Panels and Workshops

1. Psychosis & Schizophrenia Spectrum Special Interest Group (PASS-SIG). (2021, November). "Managing 'isms' and Excelling in Serious Mental Illness Careers." (Panelists: **J. Mote**, A. Shinn, T. Niendam). Association for Behavioral and Cognitive Therapies, Virtual conference.

2. Conner, T. (2020, May). "Methods Event: Experience Sampling Methods in Affective Science." (Moderators: **J. Mote** & R. Thompson). Society for Affective Science, Virtual conference.

Poster Presentations (Previous Five Years)
